To

Prof. Esther Irawati Setiawan

Google Developer Expert (GDE) Indonesia

On behalf of UKM Creative Computer Club (Triple-C), in collaboration with GDGoC UTM and the Information Systems and Informatics Engineering study programs of Universitas Trunodjoyo Madura, we would like to cordially invite you as a Speaker at Creative Tech Summit 2026.

Creative Tech Summit is a national-scale technology seminar aimed at bringing the latest technology trends and insights to students, developers, and the technology community across East Java. This year's edition will feature a Tech-Talk Series along with an interactive Q&A session for all participants. Here are the key details of the event:

- **Date** : Thursday, September 10, 2026
- **Time** : 09:00 AM – 03:00 PM WIB (UTC+7) (*Session timing TBD*)
- **Venue** : R. P. Mohammad Noer Meeting Hall, Universitas Trunodjoyo Madura, Bangkalan
- **Topic** : **Build Beyond Code: Navigating the Future of Technology and Innovation**
- **Bevy Event Link**: <https://gdg.community.dev/e/mc82ff/>

This year's edition is expected to gather around 300-700 participants, ranging from Information Systems and Informatics students at UTM, developers and members of the technology community across East Java, to high school students in Bangkalan Regency.

Given your strong impact and deep involvement in the developer ecosystem, we believe your session would be a major highlight for our attendees. We are completely open to discussing potential topic ideas or session structures that work best for you.

We look forward to your positive response. Thank you for your attention and kind consideration.

Sincerely,

Muhammad Haikal Firmansyah
